Khorki Road Nagar, Bharatpur, Rajasthan – 321205

Looking forward to start my career in web development/ Frontend Engineering. Prior to this I was a civil engineer but shift of market towards technology after Covid-19 pandemic & better growth opportunity attracts me to the web development. I've enthusiasm and foundational understanding of various programming languages required for webpage planning, development and maintenance. Data-driven individual with good grasp of JavaScript fundamentals and other frontend development needs.

SKILLS

▶ JavaScript	<div><div></div></div>	Average
▶ CSS, HTML	<div><div></div></div>	Average
▶ Project Management	<div><div></div></div>	Average
▶ React	<div><div></div></div>	Beginner
